

WD 398 Chest Freezer

- Volume – 398 Litres

- Power – 240 volt - 2.3amps

- Operating Temperature
-10°C to -25°C

- H-825 x W-1476 x D-671
(mm)

The WD 398 Chest Freezer offers the dual benefits of long term power saving and clear product display.

It features a curved glass sliding lid and 4 heavy duty wire baskets.

It is low on noise but high on performance with a mechanical thermostat and fan cooled condenser.
